“Really well done and an excellent take on the style”

— RateBeer.com 2003

Troegs Pale Ale is an American style Pale Ale that is aggressively hopped with Northwest Cascades and balanced with crystal malts to create a hoppy, copper-colored crisp ale. An excellent example of a classic American Pale Ale.

FOOD COMPLIMENTS:

Troegs Pale Ale pairs nicely with Mediterranean foods, starches and anything with fresh herbs. The floral hop character also blends with cheesy dishes like pizza, pasta and dips.
